So played out
 The same lies with a different face
 But there's something in the words you say
 That makes it all feel so real
 I'm gonna love you like I've never been broken
 I'm gonna say it like it's never been spoken
 Tonight, tonight I'm letting go, go, go, go
 I'm gonna give it like it's never been taken
 I'm gonna fall like I don't need saving
 Tonight, tonight I'm letting go, go, go, go
